### Health Talk To-night.

At 8 o'clock this evening a health talk will be given at the Young Men's Christian Association by Dr. F. J. LeMoyné Hupp. His subject will be "The Human Body." The talk will be illustrated, which will add to the interest of it. Young men will be welcome.

### Assignment by a Butcher.

Yesterday Charles G. Hoffman, a butcher and meat dealer doing business at 1025 Main street, filed with Clerk Hook a deed of assignment of his stock, fixtures and accounts, and all property of all kinds not exempt by law, for the benefit of his creditors. Mr. William C. Handlan is the assignee. The amount of the assets or liabilities is not known.

### Blue Boys Strike.

Yesterday the boys employed in the Wheeling Creek coal mines quit work. The general reduction of wages effected them with the rest, and they claimed unjustly. They tried to have their case taken up by the conference the day before, but failed, and so struck. It was thought matters would be amicably adjusted.

### Belmont County Finances.

The funds in the Belmont county treasury, according to the report of the commissioners, aggregated \$89,404.34, divided as follows: cash \$35,074.40; road receipts, \$10.81; certificates, \$27,913.59; book balance, \$10,446.72; orders redeemed, \$47.00; checks uncollected, \$911.82; Dr. A. K. Ong, was appointed as commissioner to succeed E. J. Hoyle, resigned.

### Committee Meetings Last Night.

Last evening the county commissioners' committee on finance had a long and busy session, but only the accumulated routine business was disposed of. The council committee on accounts met and audited the city clerk's and city receiver's books for a month, and recommended to council the payment of sundry bills aggregating \$723.95.

### Two Cases Last Night.

Last night Special Officer John Shorta found a colored man in a Baltimore & Ohio box car in the yard, and arrested him. A revolver was found on him and a charge of carrying a concealed weapon, was put against him. He gave his name as Leo Carroll.

Pat McGinnies was run in a little later, by Lieut. Lukins as a plain drunk.

### Transfers Recorded.

The following transfers of real estate were admitted to record in Clerk Hook's office yesterday:

March 8, by Joseph W. Brummelle and wife to James J. Killen, for \$1,000, part of lot 77, at Jacob and Twenty-fifth streets.

February 8, by Mark Lester to Albert W. Hoeble, for \$55, lot 59 in section K in Greenwood cemetery.

Also a deed from J. A. Porter to James Nickerson, for \$500, a lot at Pleasant Valley.

### Music Sunday Night.

At the bi-weekly public rehearsal of the Opera House orchestra, to be given at the Arion hall Sunday evening, the following especially attractive programme will be rendered:

March—"The Merry Cooper Boy".....E. Koedel  
Overture—"Norman".....Bellini  
Waltz—"Wander Waltz".....C. Schreier  
Humorous Potpourri—"Die Heiter".....Eisenbacher  
Polka—"May Day".....C. Pomer  
Descriptive Fantasia—"A Rustic Wedding in Savoy".....B. Kling  
Scottish Medley—"Bonnie Scotland".....E. Carlin  
"Dreams" for String Instruments.....E. Sabathil  
"Grand Galop Infernal".....E. Koelling  
E. W. Smith, Musical Director.

### Wheeling Lodge B. P. O. E.

Last night Wheeling lodge of Elks had a big meeting. Several candidates for admission were balloted on and the officers for the ensuing year were nominated. After the meeting there was a social session for Elks only in the old Wheeling club rooms, and the biggest time was had the lodge ever enjoyed. "Silver Age" Joe Klein, of Pittsburgh, was chairman. A feature was a mock trial of A. M. Alberts, of Barnesville, for overcharging. E. B. Franzheim was counsel for the defense and C. B. List for the prosecution. Albert Adler rendered his new waltz, "Memories," and there were songs by W. E. Day and others, and stories or speeches by everybody.

### The Mock Legislature.

This evening there will be a regular session of the Republican mock legislature, and the indications are that it will be one of the banner sessions in the short though extremely brilliant history of the novel organization. The question to be debated is the resolution recently introduced by Delegates Robertson setting forth that the best interests require that the reins of government be in the hands of the Republican party. Both sides have been skirmishing around, and there will be a nice assorted lot of oratorical talent on hand this evening when Speaker Campbell raps the legislature to order. There will be the usual large seating capacity, and the ladies are especially invited to attend.

We are not surprised that people will not take a new cough remedy, when they know the value of Dr. Bull's Cough Syrup.

Wall Paper for \$10 00 per bolt at Kurner & Chev's, and a full line of all grades of Wall Paper.

LOCAL RECEIPTS.

Matters of Minor Moment in and About the City.

The Grand this evening—"The Fast Mail."

Opera House this evening—"Hess and Hoss."

Officer CARNEY yesterday afternoon locked up poor old Barney Brady, on the same charge, plain drunk.

MAYOR MAHOON, of Benwood, he resigned his position as passenger agent there of the Ohio River railroad company.

The last will and testament of Christina Hugedorn, deceased, was yesterday admitted to probate and ordered to be recorded.

WILLIAM M. CATTELL yesterday qualified as a notary public, giving bond in Clerk Hook's office in \$250, with F. W. Baumer as surety.

HENRY ROCKBRAND, for begging on the street, and Frank Correll, a plain drunk, were sent to the jail for thirty days from police court yesterday.

The sale of seats for "The District Fair," at the Opera House Monday and Tuesday evenings, will open at C. A. House's music store this morning.

The board of public works had a force of men repairing curbs and putting a new sewer opening at the corner of Jacob and Thirty-ninth streets yesterday afternoon.

At the Grand this evening "The Fast Mail" will open an engagement of two nights and a matinee. It is a thrilling play, with scenic and mechanical effects rarely equaled on the stage, and will doubtless do a big business.

A LETTER was received by Lieut. Gaus last evening from Chief McNichol, which was written at Charleston, S. C., last Monday. The chief and Officer West were in Washington Wednesday, and it is expected that they will be home some time to-day.

In the window at D. Gundling & Co.'s clothing house is exhibited an oil painting, "The Larking Enemy," which has attracted a great deal of attention and won much favorable comment. The name of the artist is not given, nor is it known whether it is by a local painter.

While Minnie Bailey, of East Wheeling, was washing a large window yesterday, one of the panes broke, and her wrist came into violent contact with the sharp edge, severing an artery. A physician had difficulty in stopping the flow of blood, and she was very weak before this was accomplished.

YESTERDAY a member of the mammoth McAuley-Peters Tent and Awning Company, of Columbus, Ohio, was in Wheeling negotiating with Mr. Williams, the manager of their branch factory here, and other parties, with a view to disposing of this branch of their business. Mr. Williams is well and favorably known here, and is a hustler in the awning business. It is generally hoped that he will be able to secure the growing branch, thus adding a permanent enterprise to the city.

### The Mock Trial.

The mock trial given under the auspices of Welcome Lodge No. 6, A. O. U. W., last evening, was one of the most enjoyable and amusing occasions of its character that have been experienced in this community. There were three hours filled with mirth unabated. A large crowd of lodge members was present. Isaac Shields was the "guilty man" and was charged with stealing "scrap"—a word, by the way, which seems to be one coined and used almost exclusively in Wheeling. Mr. W. O. McCluskey prosecuted him and Mr. Richard Robertson conducted a masterly defense. The case went to the jury, who were a tie, three in favor of a verdict of "guilty" and the same number against it. Finally Shields was declared guilty and due punishment was meted out.

### The Modern Way.

Comments itself to the well-formed, to do pleasantly and effectually what was formerly done in the crudest manner and disagreeably as well. To cleanse the system and break up colds, headaches and fevers without unpleasant after effects, use the delightful liquid laxative remedy, Syrup of Figs.

### New Suits.

We open this morning our second invoice of choice suits. Some are elaborately trimmed with moire and lace, while others are plain, but they are all the very latest and our own designs.

D. W. Fuller, of Canajoharie, N. Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman, Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at Logan Drug Co.'s drug store. Regular size 50c, and \$1 00. 3

BLACK—GEO. M. SNOOK &amp; CO.

## BLACK

LACK as only the "Priestley" brand of black fabrics can be; nothing more intensely black than these black goods; no other black goods in the land with so many interesting features of decided merit as these black products of Priestley.

EUDORA is Priestley's latest black textile.

Eudora has a definite meaning. It designates an original and entirely new sort of black Dress Goods. Every woman knows what Black Silk Warp Henriettas are. Some women may hastily judge Eudora as Henrietta. Only a rash decision would produce such a mistake. Some dealers may show Henrietta and call it Eudora. Only wilful deception would father such a fraud.

So much for what Eudora is not. What is Eudora? It is a black wool material with a silk warp made in a number of qualities, heavier than Henrietta, specially suited to present fashions; it has body without weight; it is claimed that no similar fabric with equal dust-shedding quality has ever been produced. It is an improvement on Henrietta. It will be well for you to doubt the validity of alleged Eudora until you have verified them by the original and genuine goods as shown in our Black Dress Goods section. The name of B. Priestley & Co. is stamped on every five yards. Prices range from \$1.25 per yard up.

Other famous products of B. Priestley & Co. that we have on sale are: Silk Warp Henrietta, Sun's Vellings, Wool Figures, Hard Twist Silk Grenadines, Silk Vellings, Railway Cord, Chrysalis Ropa, Cravattes, etc.  
FINE Black All-Wool Henriettas at 77c, 87c, 97c, \$1 19, \$1 37 and \$1 50 per yard.  
CHEAPER grade as low as 39c yard.

SHOES—O'KANE &amp; CO.

## Women Of Taste

Appreciate these \$2.75 Shoes. They are made of fine Dongola, in all the latest styles and shapes and have that look of smoothness and elegance which is not usual in shoes priced at less than four or five dollars. They are not as good as our four dollar shoes, but it takes a sharp eye to tell it once they're on the feet. Next time you want a fine dress shoe come in and try a pair.
